

Important Notes

- The RC-1000 is a sleek rear rack carrier designed for use with 26"-700c wheel bicycles.
- Connect the rack through the hole in carrier to your rear brake.
- The RC-1000 is compatible with 9mm quick release skewers only.
- To attach the RC-1000 you'll need to partially remove the rear brake.
- We recommend a professional mechanic assembles the RC-1000 to your bike if you are not comfortable doing so yourself.
- The RC-1000 has a max load rate of 7kg. The carrier is not designed to carry people put only mounted panniers.

How to install
